**Economy Borough**

*Beaver County, Pennsylvania*

Economy Borough, located in picturesque Beaver County, is a suburban residential community that has preserved its rural integrity and charm. Economy Borough offers large home properties, mature trees, uncongested roads and natural green spaces, while maintaining a sense of friendly neighborhood communities.

**Accessibility** Economy Borough's location is convenient to major access highways of Interstate 79 North and South, the Pennsylvania Turnpike, and state routes 19 and 65 (Ohio River Boulevard). This location offers several less congested routes to major destinations of downtown Pittsburgh, Oakland, Pittsburgh International Airport and neighboring Ohio. Travel to local towns of Ambridge, Beaver and Sewickley are only minutes away. Park and ride locations are available in close proximity on Interstate 79 in Warrendale and at Northern Lights Shopping Center on Route 65.

**Housing** Recent home developments consist primarily of medium to large size homes. The older rural home sites are often reinvented as they are purchased for their land value. Construction of single family homes and neighborhoods continues. A premier community designed for today's 55+ homebuyer, Traditions of America at Liberty Hills features one and two-story homes with year-round resort style amenities. For more information, go to: [www.traditionsofamerica.com/liberty\\_hills/liberty\\_hills.html](http://www.traditionsofamerica.com/liberty_hills/liberty_hills.html).

**Shopping** While maintaining a rural atmosphere, Economy Borough is located only 10 minutes from the newly constructed shopping area in Cranberry, a bit farther to major shopping at the Ross Park Mall in North Hills, and a less congested alternative at the Beaver Valley Mall in nearby Center Township. Boutique type shopping is also available in the local towns of Ambridge, Beaver and Sewickley.

Economy Borough is a safe, comfortable, and quiet community with a well equipped fulltime police department, an active volunteer fire department and an outstanding public works department. It's a great place to live.
